

HANDING OVER OF WORKING EQUIPMENT

On 1st April 2009, MCA-T handed over two laptop computers and two digital cameras to NEMC, also one laptop computer and two digital cameras were handed to ZDoE. This is pursuant to Implementing Entity Agreement signed between MCA-T and NEMC/ZDoE, MCA-T has the obligation among others to provide working equipment to facilitate implementation of activity related to environmental certification, management and oversight. Other equipment mentioned in the agreement will be delivered once they are procured.

In the pictures below, Deputy Chief Executive Officer (Zanzibar) Mr. Ahmed Rashid handing over laptop computer and two digital cameras to Alawi H. Hija, from ZDoE. The event was witnessed by Manager of Community and public Outreach, Ms Margaret Mussai and Gender Specialist, Ms. Debora Sungusia.

In the same day (1st April, 2009), Director of Environment and Social Impact Eng. Ernest Mwasubila handed over two laptop computers and two digital cameras to Mr. I. A. Mchallo, Director of Environmental Impact Assessment NEMC. The event was witnessed by MCA-T Gender Specialist, Ms Debora Sungusia.
