Amendment No. 2

Issued 19 March 2009

From the queries raised by prospective consulting firms, and in accordance with Instructions to Consultants Sub-clause 2.3, the following changes have been made to the above-referenced RFPs.

TERMS OF REFERENCE (TOR)

1. *In para 4.2 of TORs delete para 4.2 (1)*

2. *In para 4.2 of TOR delete para 4.2 (4).*

3. *In para 4.2 (29) of TOR, the para to read:*

Approve shop drawings and verify as-built drawings prepared by the Contractor.

4. *In para 4.3 of TOR, the para to read:*

The Engineer shall prepare and submit to Employer's Representative the following reports and documents listed below, in English, and in a format approved by Employer's Representative in hard copies in numbers indicated under the respective reports. Each hardcopy shall be accompanied with an electronic copy on a CD. Electronic copies shall be in Microsoft Office format and in Adobe pdf format. All reports and documents relevant to the services, including maps, field survey notes, computer programs, shall become the property of Employer's Representative.

5. *In Para 4.4 of the TOR add the following para.*

The key staff assigned during Defects liability Period will visit site once each quarter for a period not exceeding one (1) week.

6. *In para 5.2 of TOR, the para to read:*

(i) **Resident Engineer (1)** – He/she must be a Highway Engineer with a minimum of fifteen (15) years of extensive experience related to road/bridge construction supervision and contract administration under FIDIC Conditions of Contract. He/she must have served as a Senior Resident Engineer/ Resident Engineer or equivalent capacity in at least three (3) road/bridge construction projects of similar magnitude and complexity. He/she shall be a registered Civil Engineer or equivalent graduate degree. He/she shall head the site staff and shall be responsible for all technical and administrative aspects on site and will be stationed on site at all times except for scheduled meetings off site.

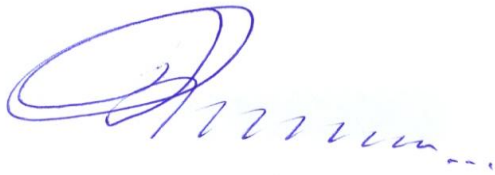

(ii) **Assistant Resident Engineer (1 per lot awarded for construction)** – He/she must be a Highway Engineer with a minimum of twelve (12) years of extensive experience related to road/bridge construction supervision and contract administration under FIDIC Conditions of Contract. He/she must have served as a Resident Engineer/ Assistant Resident Engineer or equivalent capacity in at least three (3) road/bridge construction projects of similar magnitude and complexity. He/she shall be a registered Civil Engineer or equivalent graduate degree. He/she shall head the site staff for a lot and shall be responsible for all technical and administrative aspects on his/her lot and will be stationed on site at all times except for scheduled meetings off site.

7. *In para 7.0 of TOR of Consultancy services for Upgrading of Tunduma – Sumbawanga*

(224.5 km) road, the para to read:

The duration of the construction supervision and defects liability period is 32 and 12 months, respectively but must not be later than **September 16, 2013**. The engagement shall be deemed to have started on execution of the agreement for the services and shall terminate when the final inspection of works at the completion of the defects liability period has been done and the Consultant has fulfilled all his obligations.

All other terms and conditions shall remain the same, subject to Amendment no 1.
